- The Chamber has suffered financial losses due to direct damage to their building and/or a disruption in normal operations as a result of a natural disaster;
- The Chamber is located in a county that has been declared a federal disaster area (*grant applications received from chambers in a community that has not been declared a federal disaster area will be reviewed at the discretion of the CACCE Executive Committee*);
- The Chamber is a current paid member of CACCE; and,
- The Chamber has at least one full-time employee.

CACCE member chambers must complete the application below and submit it to the CACCE Administrator. The application must be received within six (6) months of the natural disaster. The CACCE Executive Committee will review all grant applications, and any grants to be awarded will not exceed \$1,500 per application. No applicant may be awarded more than one grant per year.
